Midland States Bank, 1201 Network Centre Drive, Effingham, IL 62401

Consumer Midland Money Market: This rate may change after the account is opened. 1.15% Annual Percentage Yield (1.14% Interest Rate) is paid during an introductory period of 365 days beginning the day your Midland Money Market account is opened. Minimum deposit to open the account is \$2,500.00. Minimum daily balance to obtain the disclosed Introductory APY is \$0.01; however, a service fee of \$15.00 per month will be imposed every month if the minimum daily balance falls below \$1,000.00 or the average daily balance for the month falls below \$7,500. After the Introductory Period ends, your interest rate will default to the then current interest rate tiers. Those interest rate tiers, as of 6/27/2017, are 0.26% APY for daily balances of \$50,000.00 and up; 0.21% APY for daily balances of \$10,000.00 to \$49,999.99; 0.03% APY for daily balances of \$0.01 to \$9,999.99. Assumes minimum balance is met for 12 months. A transaction fee is charged for each transaction in excess of six during a monthly statement cycle. Fees could reduce earnings. Money Market Introductory Rate is effective 6/27/2017 for accounts opened on or after this date. This offer good at participating locations and may end at any time and without notice. Offer is not available to Public Funds or Financial Institutions. Member FDIC.
